VI. Next Meeting

VII. Adjourn

Present: Sierra Hilt (HDNW), Susan Pulaski (HDNW), Nicole Montgomery (HDNW), Danica Nowak (JLHS), Dave Baragrey (E-Free), Molly Harvey (CHS), Christie Pudvan (NMRE), Corey Hebner (MSP)

Summary of Discussion

Action Items

III. Youth Updates

- We have upcoming recruitment lunches at JLHS. We are still working on getting into SMH. No return emails from Vanderbilt yet.

Christie will continue to be in contact with SMH for recommended students and a lunch date.

Recontact Vanderbilt for follow up

- We had one email from an interested SMH student at the beginning of the school year but have still not received an application. (Gracie B.)
- Recruitment ideas for both youth and adult coalition was discussed. Many names were added to our list to contact from JLHS for the recruitment lunch as well as some adults to contact to help fill our sector necessities.

Sierra to contact Gracie's mother regarding interest

Sierra to follow up with adult sector possibilities

In addition, please keep thinking of ways to recruit members to join in our efforts. Examples of the types of people we need are: those involved in Rotary, Kiwanis, ect., parents, health care professionals, a person part of a business (gas station attendant, pharmacy employee, someone who may have a unique perspective or be helping to keep youth safe by not selling to minors). These are examples of a few key parts to helping us see all sides to this problem. Contact Sierra or bring your ideas to the next meeting ☺

VI. Committee Discussion

- We need to contact schools to see what game a RISE presence would be best at
- Rally Game: An idea was presented to have a rally game in which substance use prevention was the theme (much like the Rivals Rally game promoting Breast Cancer awareness): choosing a game in the area, possibly boy's basketball JLHS vs. SMH. RISE coalition

Sierra will email contacts at each school to decide this.

Further discuss this as involvement and progress

could provide relevant halftime activities, swag bag, t-shirts, napkins, popcorn bags, ect.

- JLHS Scoreboard: An idea was presented to assist JLHS with getting a new scoreboard. In doing this we would be able to advertise living a substance free lifestyle as well as the RISE coalition. Fundraising for this could be done in many ways and could be discussed in more detail if we decide to go for it!

V. FY2019 Grant Submitted

VI. Next Meeting

- Next meeting date TBA- The next location will be SMH. The date and time need to be confirmed with the school. I will send out an email when I find out a concrete date.

VII. Adjourn

- 4:52pm
-
