

## Youth Agenda items Meeting Minutes

- I. Ice Breaker
- II. Analyze Data, Local Conditions  
How can RISE make an impact?
- III. Initiative Brainstorm  
Initiatives, Media Campaign, NDAFW
- IV. RISE at 100 YOUth Who Care
- V. Recruitment Ideas
- VI. Next Meeting: February 12, 2019 1:30pm

Present: Sierra Hilt (HDNW), Ashlyn Baker (JLHS), Gracie Blust (SMH)

---

### Summary of Discussion

#### II. Analyzing Data, Local Conditions

Youth members looked at MiPHY data, logic models and talked about local issues regarding youth substance use issues.

#### III. Initiative Brainstorming

Students brainstormed multiple initiatives to take into consideration for this school year. Varsity poster projects, stall projects, and RISE bulletin boards in high schools were a few favorites.

### Action Items

Sierra will be in contact with each school to get these initiatives underway. Initiatives outside of the schools will be taken care of accordingly with businesses they affect.

#### IV. RISE at 100 YOUth Who Care

The Community Foundation's Youth Advisory Committee is holding a 100 YOUTH Who Care event on Feb 10<sup>th</sup> at the Otsego County Library. RISE is one of the non-profits being presented to possibly win the donated money. One of our youth members, Gracie, will be presenting RISE's story.

#### **VI. Recruitment Ideas**

Ideas to spread the word about RISE and our mission include being present at local high school sports games (basketball and hockey currently) and parent teacher conferences with a RISE "booth". Also having current youth members telling their peers about RISE and the opportunities being a part of it gives them will be helpful.

#### **VII. Adjourn 11:45**

Next meeting Tuesday February 12, 2019 at 1:30pm. Gaylord E-Free Church.

\*Meeting time/dates have again been discussed with school staff and students. It is increasingly more difficult to meet on weekends with students, so the decision has been made to meet during the week/school day.

Recruit youth to attend this event!

Sierra is in the process of scheduling local sports games for RISE to attend. Youth will be present at those they are able.
