

# HORNET HEALTH CENTER

A School-Based Child & Adolescent Health Services Program in Pellston  
Physical & Mental Health Services for youth ages 5 through 21 (and their small children)

**Introducing**

## Integrated Health Care

*"whole body health and wellness"*

*Behavioral Health Therapists work with the School Nurse and the family to develop a targeted care plan, and are available for follow-up visits with the child/family to address the plan, monitor the child's progress, and coordinate care with other providers.*

*Did you know...*

*that children and adolescents with undetected physical and behavioral health needs are more likely to become adults with more extensive and costly physical and*

**Integrated Health Care** is a method for providing the most comprehensive health care for children and adolescents by providing for their physical, developmental, and behavioral health needs from one access point

*Did you know...*

*That up to 70% of Primary Care visits with your doctor are for issues related to parental concerns, such as childhood stress, behavior*

**Insurances will be billed for services, but there are no costs or fees to clients and their families, including copays.**

The Health Department of Northwest Michigan is the sponsoring and fiduciary agency for the Hornet Health Center (HHC). The HHC is a collaboration with Pellston Public Schools, with major funding from the Michigan Department of Health and Human Services and the Michigan Department of Education.

# HORNET HEALTH CENTER

A School-Based Child & Adolescent Health Center in Pellston  
Physical & Mental Health Services for youth ages 5 through 21 (and their small children)

Top-notch health care services based on youths' ability to pay

Any charge is based on the youths' annual income, which means there may be no charge or a minimal fee. No one is denied services due to an inability to pay. We bill health insurance policies—Medicaid, MI-Child, Healthy Kids, or private insurance like Blue Cross & Blue Shield of Michigan—if youth have coverage. We also assist uninsured families with MIChild and Healthy Kids applications.

for anyone age 5 to 21--and their children

We offer health care and prevention services to youth in Pellston and surrounding communities. We also offer information for parents and guardians on nearly any topic they need to parent a teenager in the 21st century. All information is based on research and best practices. Call us or stop by.

conveniently located in the Pellston High School/Middle School with appointments year round

We're available for appointments during the school year. We offer appointments in the morning, during lunch periods, and after school. Same-day appointments may be available during clinic hours. Call the Hornet Health Center at (231) 539-8550 or Health Department Central Scheduling at (800) 432-4121 to schedule an appointment.
