

# Need Help? Get Connected...

Finding your way through the healthcare and social services systems can be hard!

## We Can Help!

If you think **YOU** or someone you know may need help or guidance and are:

**10-21 years old**

(and their families)

**Attend Mancelona Schools**

or

**Live in the School District**

## Your Path to Services

A Community Health Worker can meet with you at your choice of location, **listen** to your needs, be there to **support** you, and **connect** you to resources that can help!
