

The mission of the Health Department of Northwest Michigan is to serve our entire community and to achieve health equity by promoting well-being, preventing disease, and protecting the environment through partnerships, innovation, and excellence in public health practice.

Household Hazardous Waste Information for Counties within Health Department of Northwest Michigan District

Typical collection events are scheduled in the spring, summer and fall by appointment. Waste such as pesticides, herbicides, mercury, pharmaceuticals, and other chemicals are collected. Make sure to check which items are allowed when scheduling an appointment.
